Exodus 33:12-23, 34:5-6
Solī Deo Gloria

1. In your own words, what is the glory of God?
2. In the Old Testament, God’s glory was often manifested in some awe-inspiring way, like a cloud or a light (Exodus 24:15-18). What’s different about the way God shows His glory in the New Testament? (John 1:14)
3. Read 1 Corinthians 10:31. What part of your life (job, relationships, etc.) have you struggled with most in bringing glory to God? How can you change?
4. How can we be confident that God can get glory even from our darkest trials?

Communication Card Next Steps: Memorize 1 Corinthians 10:31
I will “scale the mountain” this week by committing to prayer, reading my Bible, fasting, or a ministry in the church.
I will repent and change an area of my life where I have not sought the glory of God.
