

1. Compare John 12:9-19 with the other Gospel accounts and write down several details that John does not mention in His account (Matthew 21:1-11; Mark 11:1-11; Luke 19: 28-40):
2. Pastor mentioned that Mary's anointing of Jesus was prophetic in its timing because of John 12:7 (read the New Living Translation for clearest translation). What did Mary's anointing of Jesus point to? Did anyone else understand like Mary?
3. In the Triumphal entry Jesus rode into Jerusalem on a colt (12:15). When Jesus returns the next time what will He be riding on a white horse (Revelation 19:11-21). Why is that significant concerning His 2nd Coming? How are His first and 2nd Coming different?
4. What expectations did you have when you put your trust in Christ? Were they biblically legitimate expectations?
