X Commandments

Getting to the Heart of the Matter

Ex. 20:17-21; Mark 10:17-22

1. How does modern advertising stimulate coveting? When was the last time you wanted something so badly but after having it you were disappointed?
2. How does the tenth commandment (Exodus 20:17) differ from the other nine commandments?
3. Read James 1:14,15; 4:1-4 and write down any thoughts about coveting and its consequences. Any personal illustrations of these principles?
4. Read 1 Timothy 6:17-19 and meditate upon what it says about God the Father and how you are to respond in light of what it says about God the Father.

Communication Card Next Steps: Memorize Psalm 37:4

1. I will pray the Lord's Prayer (Mt. 6:9-13) each day this week and contemplate "the Lord's will be done" and "give me this day my daily bread."
2. I will give something to someone in need rather than purchase something for myself this week.
