Missionary Lucas Bair

The Heart of the Gospel

Romans 9:1-3

1. What are some of the “coping mechanisms” you use to distract your heart from the pain of the gospel?
2. How is God challenging you to engage in the mission in your sphere of influence?
3. What can you personally, and this growth group corporately, do to better seek and save the lost?
4. Take some time this evening to pray for individuals in your life who do not know the Lord.
