Week of 1.20.19
Ephesians: Letting Christ Define You
Identifying with Jesus Christ
Acts 8:24-19:5

growth groups

1. Write down and be prepared to share a truth or two that you recently learned fro the Scriptures that you did not know/understand before:

2. Write down all the qualities that are used to describe Apollos from Acts 18:24-28. Pastor mentioned "teachable spirit" as the most impressive quality of Apollos to him. Where did he see that in the text and how is that quality true for the "disciples" in Ephesus as well (Acts 19:1-5)? What are qualities that are necessary to have a teachable spirit? What fights against us having a teachable spirit?

3. Share a specific blessing to you from one of the 11 baptism testimonies given on Sunday.

Communication Card Next Steps: Memorize Acts 19:4,5
I commit to identifying with Jesus by meditating on what it means to be "in Christ" as we study Ephesians.
I commit be believer's baptism and identifying with Jesus as Lord and Savior publicly.
