## The Church at Antioch

A Great Example to the Engage Network

Acts 11:19-26; 13:1-3

1. We see that the Jerusalem church was short-sighted – it did not understand the great need to take the gospel to the Gentile World. What are thought patterns, life-styles that have caused me to be short-sighted in reaching the unsaved around me?
2. As I reflect on my Christian life, does my life make Lakeside Fellowship more stretchable (more useful) in God’s hands or less?
3. It seems the church at Antioch understood the necessity of teaching new believers. How could Lakeside Fellowship enhance the discipleship process?
4. The Holy Spirit spoke directly to the church at Antioch. Is there anything at Lakeside that would hinder the Holy Spirit from speaking to this church?

Communication Card Next Steps: Memorize Acts 11:26

I will by God’s grace SPEAK at least part of the gospel to an unbeliever this week.

I will speak a word of encouragement to one of the families who has volunteered to be a part of the new church plant.
