Twice Created

Ephesians 2:1-10

growth groups

Read Ephesians 2:1-10 three times in one sitting and answer the following:

1. What does Paul mean when he says his readers were dead?

2. How does God make dead people alive?

3. Paul says believers are “seated” with Christ in the heavenly realms. What does he mean? How can that be true of you while you still live on earth?

4. What is the relationship between good works and salvation? What place do good works have in the life of the believer?
