Ephesians: Letting Christ Define You

Then and Now

Ephesians 2:11-22

1. Read Ephesians 1 and 2 and write down all of the words that describe a person outside of Christ and another list of words that describe a person in Christ (there are many).

2. Write down three things that God has changed in your life since becoming a believer – a “then and now” list for you personally.

3. Read 2 Corinthians 5:13-21 and write down any thoughts concerning reconciliation you observe and then write down what you believe it means to be given the “ministry of reconciliation” (5:18,19).

Communication Card Next Steps: Memorize Ephesians 2:13

I will write down a “then and now” list of all the changes God has already made in my life theologically and practically.

I will write down three things I know God wants to change or do in my life and I commit to allowing God to accomplish those things starting now.
