Moses: A Story of God's Faithfulness

Numbers 20:1-13

Holier Than Thou

1. Share one or two things you were challenged and/or encouraged by from Pastor's message from Numbers 20:1-13.

2. Pastor shared that Moses' act of speaking to the people harshly and striking the rock was an act that publicly misrepresented who God is. God said Moses did not "uphold Him as holy" before the people. Share your thoughts on what exactly God was accusing Moses of. In Exodus 20:5; 34:14, God claims He is a jealous God. What does that mean and how is that significant for you?

3. Read 1 Corinthians 10:1-13 and record what God is teaching us in Numbers 20:1-13.

Communication Card Next Steps: Memorize Psalm 103:13,14

I will confess a specific sin of disobedience to God I am currently engaged in.

I will uphold God as the source of all blessings in my life before others this week.
