Christmas at Lakeside
Matthew 1:18-25
The Forgotten Man of Christmas

1. Thanksgiving is now past, and Christmas is just ahead of us! Share a praise from the past Growth Group semester and share a personal goal you have for this Christmas season.

2. Share any insight you gleaned concerning Joseph that you had not considered before or stood out to you from Matthew 1:18-25.

3. Proverbs 16:3 says, "Commit your work to the Lord and your plans will be established." How was this true for Joseph? Have you had a time in your life that this Scripture has proven itself true in your life?
