

Week of 3.8.20  
Anchored in the Gospel  
John 13:1-17  
Saved to Serve

1. Read John 13:1-17. Pastor listed a number of purposes for Jesus washing the disciples' feet. List them and share any thoughts you have about how they apply to you personally.

2. The title of Pastor's message was "Saved to Serve" - the biblical basis for a Christian serving others is grounded in Jesus' sacrifice on the cross. Read 1 Corinthians 6:9-11, 19, 20 and write down the proper motivations for living a life pleasing to Christ.

3. Meditate upon the act of Jesus washing the disciples' feet. List several acts of kindness and humility that you could do, your GG could do, that would reflect the same kind of humility and servant spirit Jesus displayed. Discuss the importance of serving at Lakeside wherever you are needed.

Communication Card Next Steps: Memorize John 13:35

I will do something as lowly as what is represented by foot washing for someone in the Lakeside family or North Polk community.  
I will serve wherever I am needed in my local church.
