Personal and Family Questions

- 1) Ask the kids: Why do we celebrate Easter and why is it such a big deal each year? (1 Corinthians 15:12-19 will help you answer!)

- 2) Talk about Pastor's message from Hebrews 12:2 and share what stood out to you. What was most encouraging? What didn't you understand?

- 3) Can you remember a time you worked on something and when you finished it you sat down? Why do people often sit down when they are finished with something? After His resurrection, Jesus sat down at the Father's right hand – what does that picture tell us? What was finished? (Hebrews 10:11-14)

- 4) Jesus is now seated at the right hand of the Father and is constantly interceding for us (Romans 8:34). Talk about what that means for you as a believer and why it is so comforting.
