Personal and Family Questions

1) Here are four of Paul's life changing prayers recorded in the Bible: Ephesians 1:17-19; 3:16-19; Philippians 1:9-11; Colossians 1:9-12.

What stands out to you that is common to all four?

What surprises you that is not included?

Paul's prayer life is much different than many Christians' today both in the frequency, intensity and the things prayed for. Why do you think that is and how can you modify or radically change your prayer life? (If you are part of a family, ask for your children's input.)

2) Pastor listed a number of truths that spring out of Philippians 1:6. List them and share which truth is a special blessing to you.

3) Gather as a family, as a couple and/or individually and seek God according to the passion, intensity and pattern of things that Paul prayed. Make Paul's prayer your prayer, in your words!
