Personal and Family Questions

1) Given your priorities and your schedule this week, how would you honestly finish this statement, "For to me, to live is _____." What needs to change to make it CHRIST?

2) Was Paul scared of dying physically? Why or why not? Are you scared of dying? Look at the following passages and be encouraged; we have nothing to fear in death if we know Christ as our Savior.

- Romans 8:38, 39
- 1 Corinthians 15:50-58
- 1 John 5:11, 12

3) One way that you can relentlessly serve Christ is by praying for the ministries of the local church and all of the people involved in them. Take time each day this week with the family to pray through this list of ministries and people.
