## Sermon Notes and Questions

- 1.) There is a big difference in “Working *for* your salvation” and “working *out* your salvation”. Why is it so important for us to make this distinction?
- 2.) How do the promises of God and the power of God make it possible for us to work out our salvation by being a living sacrifice? Share some of the promises that stand out to you from Scripture. Look up the following verses about God’s power and discuss how powerful our God is. Psalm 147:4-5; Job 42:2; Matthew 19:26; 2 Peter 1:3
- 3.) Think back through your week - what did you grumble about? How can you put on thankfulness instead of grumbling? An example is given below.

### Grumble

My day is constantly interrupted because of my child’s rebellious ways. I will never get done what I need to and want to get done.

### Thankfulness

I am thankful for the multiple opportunities to speak the gospel into my child’s life.
