“Unsaved Believers”

John 2:23-25

1. Share what stood out to you from this week’s message from John 2:23-25 and explain why it stood out to you.
  
2. Share a time in your life where your genuine belief in Jesus led you to step up and do a hard thing. What did God accomplish?
  
3. In John 2:25 we see the truth that Jesus knows what is in a man. How is this truth a challenge and a comfort?
  
4. EXTRA STUDY: Read James 2:14-26, and spend some time discussing the relationship between Faith and Works. We know that we are saved by grace alone through faith, so what do good works have to do with it? (See also Ephesians 2:8-10)
  
5. Write down a list of unsaved people that you know and spend time individually and as a growth group praying for them.

Communication Card Next Steps: Memorize John 2:24-25

I admit that I am an "unsaved believer" and I will fully surrender my life to Christ today.

Because of my genuine belief in Christ, I will ask God to not let me get my way this week and seek His will and not mine.
