**What's Your Perspective?**

2 Corinthians 4:1-18

1. How has your perspective, positively or negatively, affected your life this week?
2. How does Paul's description and application in 2 Cor. 4:7 humble and encourage you?
3. What is taking place in your life right now that is tempting you to "lose heart"? How do you need to be renewed?
4. 2 Cor. 4:18 is clearly a paradox! How can Christians, personally and collectively, be faithful to "look at what can't be seen?"
5. What is your "chair?" And what do you need to do with it?

Communication Card Next Steps: Memorize 2 Corinthians 4:17, 18

I will read 2 Corinthians 4 this week and ask God to show me what He wants me to learn and apply to my life.

I will pray and ask God to show me where my perspective needs to change from focusing on the temporal to the eternal.
