

**Week of 12.6.20**  
**Galatians 5:13-24**  
**We Are All In This Together**

1. What is the believer set free from when he/she receives Christ as Savior and Lord? John 8:31-36; Romans 6:18, 22; Galatians 5:1 (any other passages that pertain to a believer's freedom)
2. Read I Corinthians 9:19-23; I Cor. 10:23,24; Galatians 5:13-15; I Peter 2:13-17 and write down any principles that come out of those passages concerning a believer's interaction with those inside Christ, those outside Christ, and the governing authorities:
3. Pastor stated that "Jesus died for your wrongs, not your rights." Share any thoughts about that statement, such as what the Pastor meant, other passages that relate, and whether or not you agree with the statement.
4. When it comes to one's personal "rights" - make a list of those personal rights Jesus demanded for Himself and those rights He surrendered for the benefit of others.

Communication Card Next Steps: Memorize Galatians 5:13

I will serve someone in a specific way this week by swallowing my personal preference and preferring another person.

I will praise God for the freedom I have in Christ and share the Gospel of Good News with someone outside of Christ this week.
