Lots of Notes

John 5:31-47

1. Share a takeaway from Sunday's worship service that God used in your life whether it be Stephanie's testimony, the music, the message, communion, etc.

2. Study out and share an OT passage or story that you believe points to Christ. If available give the NT evidence or confirmation. If you need some starter help in this exercise, google "Christ in the OT" and pick out one or two OT stories. Study them out for yourselves, not substituting the article as your study! Commit to making this a regular occurrence of your devotional study time.

3. Share a blessing from being part of your GG this semester:

4. Share a spiritual prayer request for your life and for the life of someone else for your GG to pray on your behalf:

Connection Card Next Steps: Memorize John 5:39, 40
