## **Thinking Bigger**

John 6:1-15

1. Share something that stood out to you personally from Sunday's message:
2. In Philip's answer to Jesus, Pastor Joel said that the number 200 in the Bible is the number of insufficiency. Spend some time looking up the following passages and see how the number 200 is tied to insufficiency: Achan- Joshua 7:20-21  
Micah of Mount Ephraim- Judges 17:1-5
3. Share about a time in your life when you were faced with a problem and you stopped everything to pray first. How did God answer? Share about a time when you were faced with a problem and you did everything in and of yourself to solve the problem, but you were finally brought to the end of yourself and went to God through Jesus and He answered!
4. Review the Scriptures from Hebrews about Jesus being our High Priest (Hebrews 1:3, Hebrews 4:14-16). What implications should that truth have for you in your life?

Connection Card Next Steps: Memorize John 6:35

I see my greatest need is for a Savior to rescue me from my sins so today I fully surrender my life to Christ.

I am facing a human impossibility and would like the leadership to pray for me, and I will surrender the impossibility to Jesus and seek His counsel in His Word.
