## Our Daily Bread

John 6:52-71

1. In John 6:63 Jesus said, “The words that I have spoken are spirit and life” – look up the following verses and any others you might find and write down any personal devotional thoughts God gives you concerning the Word of God:
  - Luke 4:16-30 (esp. as passage relates to 4:22)
  - John 6:63-68
  - Hebrews 4:12
  - Romans 10:17
  - Isaiah 55:6-11
  - Matthew 4:4
  - John 17:17
  - II Timothy 3:16,17
  - John 5:39,40
  
2. Pastor mentioned that two of the ways to “feed” on Christ (John 6:54, 56-58) are by hearing from God by reading His Word and by talking to God through private time in prayer. Take up this admonition from Pastor Dave by reading John 6 in one sitting. Write down three to five truths that God has impressed upon you during our 4 weeks of concentrating on this wonderful passage of Scripture and then pray to God thanking Him for specific blessings that you have received because of Christ drawing you to Himself:

Connection Card Next Steps: Memorize John 6:63

I desire to consume Christ by coming to Him and believing in His finished work on the cross for the very first time and having my sins forgiven and eternal life given to me.

I desire to feed on Christ each day this summer by committing to hearing from God by reading my Bible and talking to God by spending time in private prayer at the first part of each day.
