## **True Freedom**

Romans 13

1. How are you daily “putting on Christ?” (Give specific examples.) What do you need to do to daily “make no provision for the flesh?” (Give specific examples.) How can you make sure you are holding yourself accountable in these areas?
  
2. How should the imminent (at any moment) return of Jesus and the reality that none of us is guaranteed tomorrow motivate the way we live? Are you living a life that is “awake” to the reality of Christ’s return? Are you ready to meet Jesus?
  
3. In what ways can/should Christians biblically, humbly, and intentionally engage in government and politics?

Connection Card Next Steps: Memorize Galatians 5:13

I will commit to praying for our local, state, and national leaders on a regular basis.

I will write down the 10 commandments and give specific examples of how choosing to LOVE would keep me from breaking the commandments (Exodus 20 and Deuteronomy 5).
