## **A Fresh Experience of Jesus (2)**

Ephesians 3:14-21

1. Read Isaiah 6:1-7 and write down any insights from Isaiah's life-changing encounter with the Lord. What implications and applications for your life?
  
2. The Bible is filled with many people who have had face to face encounters with Christ (Lakeside had a series several years ago on this very theme). I have listed several of them. Read each account and write down anything you learn from the text and then write down several applications for your own life:
  - The Sinful Woman - Luke 7:36-50
  - The Thankful Leper - Luke 17:11-19
  - The Unfulfilled Woman - John 4:1-42
  - The Church Hater - Acts 9:1-19
  - The Hopeless Man - John 5:1-15
  
3. Read Psalm 139:1-24. David wrote this Psalm about the amazing Presence and Knowledge of the Spirit of God. List the reasons why this Psalm is an encouragement to believers to live Coram Deo - "in the presence of God." Write down any implications and applications for your life:

Connection Card Next Steps: Memorize Job 42:5,6

I will get alone for one hour this week and seek the presence of the Lord through reading Scripture and prayer.

I will set several reminders each day so as to implement 'Coram Deo' in my life by constantly remembering that I live in the presence of the Lord 24/7 for strength, encouragement, and sanctification.
