Lord, Teach Us to Pray

Matthew 6:5-15

1. Read Matthew 6:5-15 and write down how Jesus says NOT to pray.
2. Pastor mentioned that the Lord's Prayer in Matthew 6:9-13 is to be a pattern for our prayers. He also mentioned that there are six petitions in this prayer and their order is important. Write down the first three petitions that are focused on God and the next three petitions that focus on self:
3. What do we learn about the order of the importance that we should model in our prayers?
4. Read several of the many prayers that are recorded in the Bible and write down any principles or priorities in prayer:
 - Ephesians 1:16-19
 - David's prayers – Psalm 60, Psalm 51, Psalm 86
 - Ephesians 3:14-19
 - John 17:1-26

Connection Card Next Steps: Matthew 6:9-13

I desire to know Jesus Christ personally so I can have a relationship with God the Father in Heaven.

I commit to carving out time this week to thoughtfully go through the Lord's Prayer (Matthew 6:9-13) and make it a personal prayer to God.
