## Our Daily Bread

John 6:25-40

1. Read Matthew 6:9-13 and write down why it can be difficult to pray “Give us this day our daily bread” when the reality is that most of us have a stocked kitchen, money in the bank, and most likely a 401K to care for us in our latter years? What did you learn from Pastor Dave’s sermon or your personal study to make this petition more authentic?
  
2. Read the following portions of Scripture and write down what they teach us about God’s provision:
  - Matthew 6:25-34
  - Matthew 7:7-11
  - Proverbs 34:8-10
  - Deuteronomy 8:11-20
  - Philippians 4:6-9, 19
  - James 1:17
  
3. Read the following Scriptures that give the believer a needed warning about living in affluence and not actually needing to depend upon God for our daily needs. Write down what the Scriptures below are actually warning us about:
  - Deuteronomy 8:17-18
  - James 4:13-17
  - I Timothy 6:17-19
  - Luke 12:16-21
  
4. Read John 6:25-35 and write down how the petition “Give us this day our daily bread” has a deeply spiritual component to it as well as a physical component. In what way is Jesus Christ the Bread of Life?

Connection Card Next Steps: John 6:35

**\*I will** thank God before each meal this week for providing for my needs and ask Him to give me a spirit of contentment for all that I have.

**\*I will** be generous to others and the cause of the Gospel out of the abundance God has provided to me.
