Forgiven & Forgiving

Matthew 18:21-35

1. Read Jesus' teaching about how we should treat our enemies in Matthew 5:43-48. How well are American Christians following this teaching? In what areas do we need to improve?

2. Read Luke 7:36-50. Jesus says here that those who are forgiven much will love God much. When have you been most aware of how much you've been forgiven? What are ways in which you could better show your love to God in gratitude for His forgiveness?

3. Read Jesus' plan for addressing sinful behavior among believers in Matthew 18:15-17. Have you followed this process when addressing issues in the past? What steps do many people tend to skip?

Connection Card Next Steps: Memorize Luke 7:47

***Each day** this week, I will confess to God the sins I commit and praise Him for forgiving me.

***I will** pray that God will work in my heart to help me forgive a specific person who has sinned against me.
