Good News on a Bad News Night

John 14:1-14

1.	Pastor listed a number of things that had troubled the disciples on the night before Jesus
	was to be crucified. Write down what was going on that troubled the disciples:

- 2. It is of great encouragement that Jesus Himself knew what it was to be troubled (stirred up, agitated in spirit, disquieted). Look up the Scriptures of Jesus being troubled in John's gospel and then share how that should be a help in times when we are troubled:
 - John 11:33
 - John 12:27
 - John 13:21

- 3. Pastor shared that in times of trouble, difficulty, or unrest Jesus shares three beautiful encouragements to help you. Re-read John 14:1-11 and meditate upon the fact:
 - There is a PERSON to trust in
 - There is a PLACE to plan on
 - There is a PROMISE to rest on

^{*}I will take my troubled heart to Christ, meditating on the Person of Christ, the place He has prepared for me, and the promise He has given me found in John 14:1-11.
