Mercy Greater Than Our Mistakes

John 18:12-27

1. Read John 12:42-43. Why did many Jewish people hide their belief in Jesus? In our setting, when could you be tempted to hide your faith because it may cost you something?

2. In I Peter 1:6-7, Peter speaks from his own experience about tested, genuine faith. How has your faith in Jesus become deeper over time?

3. In I Timothy 1:15-16, Paul praises God for using a sinner like him. How are YOUR weaknesses a testimony to God's patience and grace? How can you use that story as a witness to others?
