Who Rules Your Heart?

Mark 10:17-31

1. Read Isaiah 44:13-20. How does Isaiah sum up the faulty logic involved with idol worship? How does our culture today repeat the mistake of "bowing down to a block of wood"? (v.19)
2. Read Philippians 3:4-9. What point is Paul making by "bragging" about his accomplishments? What does he call all his good works? What accomplishments do you cling to and consider more valuable than they really are?
3. Read Judges 10:13-16. Have you ever turned to your heart's gods when you're facing difficult times? Have you seen positive results? Have you seen different results when you turn to the one true God?
