## Wordless Worship

Luke 7:36-50

1. Compare Luke 7:36-50 and John 12:1-7. These are completely different occurrences. Write down what is similar and what is different and then meditate and pray through what God would want you to discern from these two stories for your own life. 2. The Pharisee's issue in Luke 7:36-50 was a cold heart toward Christ that flowed out of a sense of not being needy before Christ. Read about the church of Laodicea in Revelation 3:14-22 and jot down any personal observations and connect the Pharisee's heart with the church in Laodicea. What is similar? How does this apply to you?

Connection Card Next Steps - Memorize Matthew 11:28-30

**\*I would like** to identify with Christ as Lord and Savior and have my sins forgiven today.

**\*I repent of** coldness toward Christ and ask God for forgiveness and to give me a desire to worship/love Jesus more authentically.
