Peace and Patience

Mark 9:14-24

1.	Write down the most precious promises you have from God. Make sure you
	write down a Rible reference with each one

2. We must fuel the Holy Spirit through reading the Word and prayer so that He will produce the fruit in us. Read Exodus 32:1-14. How was God going to show His wrath? Why did He relent?

3. Read Exodus 34:5-8 and make a list of God's character qualities. How do these express His patience?
