Fruit vs. The Flesh

Galatians 5:16-26

1. Read Romans 7:18-25. What are situations where you desire to do the right thing but can't carry it out (vs.18)? What is the solution described in vs. 24-25? How could you walk with the Holy Spirit more to get help in battling sinful desires?

2. Read I Peter 2:11-12. What does it mean to be a sojourner and exile in our own culture? When people accuse Christians of being evil, what should they actually see us doing, according to vs. 12? Do you feel that's what they would say about you? Where do you need to improve in this area?

3. Read Jeremiah 17:5-10. What happens to people who trust in their own strength (vs. 5-6)? When the Lord searches your heart (vs. 10), do you think He sees you trusting most often in your own strength or in Him?
