Will the True Redeemer Please Stand Up?

Ruth 4:1-12

1. At this point in the story, Boaz must take care of the legalities of being the redeemer. Having the knowledge of the family that he did, he dealt righteously with the other possible redeemer. Read the following passages and discuss how Jesus took care of our sin in the legal sense:
 - Romans 4:24-25
 - Romans 5:18
 - Galatians 2:15-21
 - Colossians 2:14-15

2. Boaz was willing to redeem Ruth, the Moabitess. His willingness was partially due to knowing his mom's story. Read about Boaz's mom, Rahab and write down any observations about her faith in God. How would this knowledge affect Boaz's decision to marry Ruth?
 - Joshua 2:1-21
 - Joshua 6:22-25
 - Hebrews 11:31
