The Biblical Case for Defending Israel

1. Read Genesis 12:1-3; 15:1-8; and 17:1-8 and record God's promises to Abraham and the nation of Israel. Why should Americans and especially American Christians stand with Israel in this most recent of wars?

2. Read II Peter 3:1-18. Certainly no one can predict when Jesus will literally come back and usher in the events that follow His coming. BUT, we do know we are 2,000 years closer than when Jesus originally said He was coming back. From II Peter 3, what must believers do to be prepared and ready?

^{*}I will be fervent in my prayer for Israel and all innocent people affected by the conflict (Psalm 122:6).
