## The Gift of a Quiet Mind

Luke 2:21-35

1. When you have time to think, what is an area of worry that tends to “unquiet” your mind? How can you take that worry to God and find peace about it?
  
2. Finish reading Luke 2, verses 41-52. When Jesus returns to the temple at age 12, what new things do we learn about Him? (See vs. 47 and vs. 49.) Based on everything stated so far in Luke 1-2, what would the people around Jesus know about Him for sure at this point?
  
3. Read Luke 4:16-30. How was Jesus treated in His hometown of Nazareth? Why did people treat Him this way? What are situations today when people (including ourselves) tend to miss the big picture about who Jesus is?
