1 Corinthians 2:14-3:9

1. Pastor mentioned that there are three types of people in the world: the natural man/woman, the supernatural (spiritual) man/woman and the unnatural man/woman. Write down the characteristics/distinctives of each from 1 Cor. 2:14-3:9:
 - **Natural** man/woman – 1 Cor. 2:14
 - **Supernatural** (spiritual) man/woman – 1 Cor. 2:15-16
 - **Unnatural** man/woman (unnatural in the sense of being a believer but not responding like a believer so they are called spiritual infants) – 1 Cor. 3:1-4
2. In 2 Corinthians 13:5, Paul writes that everyone should "examine themselves, to see whether they are in the faith. Test yourselves." I believe Paul wrote this with two ideas in mind. First, to examine oneself to see if you ARE a believer and secondly, to examine yourself to see if you are LIVING as a believer.
 - What would be some specific ways you could test yourself to see whether you are in the faith?
 - What kind of change should be taking place in your life? 2 Cor. 5:17
 - What role could another mature believer play in helping you examine your life?

***I would like** someone to go through the marked New Testament with me so I can understand what it means to be saved from my sin and become a follower of Christ.

***I will examine** myself to determine if I "am in the faith" (2 Cor. 13:5) and then get with a friend who is a mature believer and ask them what they observe in my life.
