Faith Devoted to Good Works

Titus 3:1-8

1. Read Acts 2:42-47 and note the behaviors that were typical of the new community of believers. Which of these actions do you think we should still be practicing today?
2. Read 2 Corinthians 8:1-5. What heart attitude do the Macedonian believers display here? What was their personal situation when they started giving? According to vs. 4, did they see giving as a burden or a privilege?
3. In John 13:35, what does Jesus say will be the way other people will be able to spot His disciples? Would people watching you say that you show this trait?
4. In John 14:21, what does Jesus say is proof that you love Him? As one example of Jesus' commands, read Matthew 5:43-48. How well are you doing in proving that you love Jesus by following this command?
