### Connection Card Next Steps -

**\*This week, I will read** the Word of God each day and ask Him to change me through the Word.

**\*I will take opportunities** this week to be a light for Jesus in this spiritually dark world.

1. We believe that the Bible is God's complete and sufficient revelation and, therefore, carries God's authority for our total well-being. Look up the following verses and write down what they say about God's Word.

Psalm 119:97-104, 160

Matthew 5:18

John 5:46-47

John 10:35

2 Timothy 3:15-16

If we believe that God's Word is all that, what actions will be produced in our life?

2. On the first day, God separated the light from the darkness. This is a theme that is throughout Scripture. Read Matthew 5:14-16. What are we as believers and practically how do we do this? Use a Bible app/website, search for the word "light" and write down what verses you find along this theme of light and darkness. Be ready to share these with your Growth Group.

3. Jesus is the sufficient provider. Look up the following verses and record how these verses show that. Then write down how Jesus has specifically provided for you in your life and share with your Growth Group.

Philippians 4:18-19

Matthew 6:25-34
