### Connection Card Next Steps -

**\*Step 1 - I realize that God sent His Son** to accomplish the most impossible thing in my life (my sins to be wiped away and have His righteousness), and I admit that I am a sinner and receive Jesus as my Lord and Savior.

**\*Step 2 - I will deal with my doubt** this week before it leads to sin by claiming promises from God's Word that speak directly to my unbelief.

1. Genuine belief produces eager service. Read Matt. 25:31-46 and Heb. 13:2. Who should we be eagerly serving and why?
  
2. Look up the following and write down how doubt was displayed and how God met these individuals in their doubt. What were these individuals not believing and how did God help their unbelief?  
  
Moses: Ex. 3-4  
  
Elijah: 1 Kings 19:1-18
  
3. Review the ways in which God has done the impossible in your life. Start with your personal salvation from your sins and then other acts of God in your life. This is a great way to truly celebrate Thanksgiving.
