Connection Card Next Steps -

***Step 1 - As a father, I confess the hidden sin in my life,** I seek forgiveness from God through Christ, and I seek an accountability partner for help/encouragement.

***Step 2 - I want my life to count for Christ,** and starting today, I accept the challenge to make whatever corrections are necessary to develop habits/skills pleasing to Christ.

1) Share a **spiritual** blessing from the past holiday season with your group ...

2) It is well documented that the most dangerous time for a Pastor or spiritual leader to let their personal, spiritual guard down is after a victory or blessing from God. The responses of Noah and Lot to being rescued from God's wrath are eerily similar. Look up both men's responses to being rescued from divine judgement and write them down.

- Noah in Gen. 9:18-28

- Lot in Gen. 19:30-38

Discuss why you think they both responded in a similar way? What can we learn by their failures?

3) Gen. 19:30-38. Pastor made the case that even though Lot was drunk and did not even remember what had taken place, he was 100% responsible for what took place. Discuss why God would hold Lot responsible. Here are a few verses to prompt your thinking:

- Prov. 20:1
- Prov. 23:29-35
- Prov. 31:4,5
- Is. 5:11
- Luke 6:45
- Gal. 5:21
- Eph. 5:18
