Connection Card Next Steps -

***Step 1 - I will attend the April 18 Missions Experience** and pray for God to show me potential next steps in ministry.

***Step 2 - I want to serve with the Community Connections Team** in one of these areas: New Resident Greeting, Four Seasons Festival, Fall Festival, Light Up Polk City.

1. What Christians have you seen modeling how to “make every moment a ministry”? Think of people who use their careers, homes, skills, etc. to serve God. What can you learn from them?

2. Read Ex. 35:30-36:2. What did Bezalel do for God? Where did Bezalel get his gifts? (vs. 31) Besides hands-on work, what did he do with his gifts? (vs. 34) How can you apply Bezalel’s example to your life and skills?

3. Following the example of Priscilla and Aquila and Bezalel, what are one or two things on the following list that you could start doing to serve God where you are?

Replace a significant part of your daily media with prayer/ Bible study	Pray for gospel opportunities through your work and relationships
Make prayer lists to help you regularly intercede for other people	Verbally express your gratitude for God’s faithfulness to one person each week
Make time with God’s people a priority by attending worship services, Growth Group, etc.	Volunteer to serve at church or at a gospel-focused ministry
Write an encouraging note to someone	Commit to teaching the Bible to your kids or a kids’ class
Sacrifice something you want so you can give more to missions work	Make time to talk with someone other people overlook
Offer to babysit for a family that needs a break	Buy someone a meal and listen to their story
Do a little less of something you enjoy to make time to serve others
