Connection Card Next Steps -

***Step 1 - I would like to join** the Prayer Team and will faithfully pray each week for the requests that are shared.

***Step 2 - I will boldly pray** with people this week as I have an opportunity when they share burdens with me.

1. Read Eph. 6:18-20 and discuss what Paul asks the believers to pray on his behalf. Also, what specifically does Paul tell the believers to do in verse 18?

2. The believers in Acts prayed specifically for boldness amid hard circumstances. What hard circumstances are you simply asking God to change? How can you pray differently through these circumstances that will have eternal impact?

3. Have an extended time in prayer personally or as a family, appealing to God the Creator, the Sovereign One, for His boldness, and for the sake of His glory in circumstances and people that are burdening your heart.
