Connection Card Next Steps -

***Step 1 - I will recommit** to reading God's Word 5 days per week.

***Step 2 - I will be courageous** this summer by helping with the community survey.

- In the book of Joshua, Israel conquered mighty Jericho but lost to tiny Ai, all based on how faithful they were to God in those situations. What is a huge battle you need to trust God in right now? What is a seemingly small battle that you think you're losing because you aren't staying faithful to God?

- Read 1 Tim. 3:16. What four things does the verse say Scripture helps us with? According to vs. 17, what two traits will we have if we study Scripture faithfully?

- Read Psalm 119:50 and 119:92. When was a time that God provided you with comfort through His Word? What passage(s) did He use to comfort you?

- Read the story of enemies surrounding Elisha in 2 Kings 6:14-17. How does this passage reflect the sermon's point that "Our battles may look material, but they're always spiritual, too"?
