Connection Card Next Steps -

- Pastor Trevor talked about the biblical ideas of indicative (what God did) and imperative (what we should do in response). Read these passages and identify what God did for us, and how that points to what we should do:
 - Rom. 6:10-11
 - Eph. 4:32
 - Col. 3:1-2
- The sermon highlighted how God constantly pursues sinners, seeking to reconcile them to Himself. What are times in your life that you could sense God pursuing you to bring you to Him?
- Jesus crossed multiple social barriers to care for the woman at the well. What are some barriers that you know you need to cross to connect better with the people around you? Think about barriers related to social position, political views, past disagreements, physical distance, etc.
