Connection Card Next Steps -

***Step 1 - I will make one concrete change** in my media diet to focus my mind more on the hope found in the cross.

***Step 2 - I will commit to joining** a Discipleship Group, Growth Group or Starting Point in order to better live out the "one anothers" within Lakeside.

1. What are some of the most memorable/impactful ways others have motivated you to accomplish something important in your life (fitness, career, personal or spiritual goal, etc.)? Brainstorm specific ways you can positively motivate (“stir up”) fellow Lakesiders to persevere in their walk with Christ.

2. Read Heb. 10:19-25. In this passage, full assurance in the finished work of Christ is what causes us to “stir up” one another to love and good works. Why is this order of events important? Is there a danger in reversing this order?

3. Read Col. 3:12-17. Count and note how many “one anothers” are in this passage. Discuss how each of these are reflections of Jesus. How do the “one anothers” connect to Phil. 2:5?
