DIVING DEEPER

- In Genesis 44:15 Joseph confronts his brothers by asking them, “What have you done?” Look at one of the following other instances of this happening in Genesis and note the response that was made and compare it to the response of Judah in chapter 44: Genesis 3:13; Genesis 4:10; Genesis 12:18; Genesis 20:9; Genesis 26:10; Genesis 29:25; Genesis 31:26 (Look at the context around each verse.)

- Share a time when you owned your sin like Judah did. How did ultimate good and God’s glory come from it?

- Read 2 Corinthians 1:20. What is one promise you think about often that is “yes and amen” in Jesus?

- Spend time individually or with your growth group in prayer, praising the Lord for specific promises of God.
